

FIBER-SEAL IS THE PREMIER NAME IN FABRIC PROTECTION

Interior designers have trusted Fiber-Seal for their clients since 1971. We provide a family of products that can be utilized on all soft surfaces such as Oriental and specialty rugs, carpeting, upholstery, wall coverings, draperies and panel systems—including the finest silks, wools, leather and more! We understand that when you have created a first-class space, you want it to stay that way. With Fiber-Seal, your work will look newer for longer—increasing compliments and referrals!

PRESTIGE PROGRAM AND COMMERCIAL SERVICE PLANS

For homes that need more specialized care, we offer affordable, customized maintenance plans. These plans include treatment assistance for emergencies and regularly scheduled cleaning and spot visits. We also have commercial service plans for facilities that deserve an upgrade from standard janitorial care.

OUR PROTECTION PRODUCTS ARE **ECO-RESPONSIBLE**

We are always mindful of the health and well-being of our clients. Fiber-Seal's specifically formulated proprietary products meet all current government and industry standards. Our most popular treatment products are **GREENGUARD Gold Certified**, yet another reason why Fiber-Seal is the leader in fabric protection and care.

DESIGNERS WORK WITH US IN 3 SIMPLE STEPS

1

MEET WITH A CONSULTANT

An experienced interior care consultant will explain how the Fiber-Seal Fabric Care System benefits you and your clients.

2

TELL CLIENTS ABOUT US

Mention fabric care early in the project so you can have more confidence in your fabric selections.

3

CALL US WITH CLIENT'S NAME

We'll do the rest! We visit the client's home or office and offer an affordable estimate—with no pressure to your client.

WE'RE YOUR LOCAL RESOURCE FOR ALL THINGS FABRIC

FABRIC SELECTION

We can test fabrics for colorfastness, cleanability and suitability, making the selection process more risk-free for the designer.

CLEANING & SPOTTING

We're a reliable source for spot cleaning and overall cleaning of fine fabrics and flooring.

SOFT SURFACE INFORMATION

Our website and other publications help keep designers up-to-date on the latest fabric trends, information, and other industry news.
